

We are delighted to invite emerging and established artists and crafts-people to make submissions for possible inclusion in our gallery. We offer one of the best consignment agreements in the region and will heavily-focus on education and merchandising. We will be spotlighting naturalistic, nature related items, so please keep that in mind.

To contribute, please provide an Artist Statement/Bio, photos and/or 3-6 samples of your work. Please allow 1 week for Jury review. All contributors will be notified by phone or email.

We take pride in our Humboldt Artisans talent and promote dollars staying in Humboldt!
